- (b) you have performed all of your obligations under this Agreement.

18.2. If any Amounts Owed is overdue, or an Insolvency Event occurs, you give irrevocable authority to us to use reasonable force to enter anywhere Materials may be stored to remove any Materials. We shall not be liable in contract, tort or otherwise for any damages, expenses, or losses you or any third party incur, and you indemnify us against any liability we may have to any third party (including full legal costs on a solicitor-client basis), as a result of us exercising our rights under clause 18.2 (except where damages, costs or losses are due to our negligence or fraud).

18.3. If you resell or use any Materials before ownership of the Materials has passed to you (including combining or processing the Materials), the proceeds of such sale or use will be received and held (in whatever form) in trust for us to the extent of the Amounts Owed (where our interest as beneficiary under that trust will be that portion of the proceeds which is equivalent to the Amounts Owed to us and the balance of the proceeds (if any) will be your beneficial interest under that trust).

18.4. It is further agreed that:

- (a) where possible, the Materials shall be kept separate and identifiable until we have received full payment and you have fulfilled all of your obligations under this Agreement; and
- (b) until ownership of the Materials passes to you, we may give notice in writing to return the Materials (or any accessories or components), and your rights to obtain ownership or any other interest in the Materials shall cease.

18.5. If any Materials are damaged where full payment has not been received, you agree that we are entitled to:

- (a) receive all insurance proceeds paid for the Materials; and
- (b) deal directly with the insurance company to receive all insurance proceeds paid for the Materials.

18.6. We may commence proceedings to recover the Price of the Services provided, notwithstanding that ownership of the Materials or Services has not passed to you.

19. SECURITY AND LIEN

19.1. Subject to us providing any Materials or Services, you charge all of your right, title and interest (whether joint or several) in any land, real estate or other assets capable of being legally charged with a lien you own either now or in the future and you grant a security interest in all of your present and after-acquired property to secure the performance of all obligations under this Agreement (including full payment of all Amounts Owed).

19.2. You irrevocably appoint all directors of our companies (including any Related Company) as your true and lawful attorney(s) and agree that the appointed attorney(s) may perform all necessary acts to enforce our rights provided in clause 19.1 of this Agreement (including signing any document on your behalf).

19.3. You are liable for all our disbursements and expenses (including full legal expenses on a solicitor-client basis) incurred in exercising our rights under clause 19 to secure the performance of your obligations under this Agreement.

19.4. It is fair and reasonable for the parties to be bound by clause 19.

20. PERSONAL PROPERTY SECURITIES ACT 1999

20.1. You acknowledge and agree that:

- (a) This Agreement constitutes, in favour of us, a Security Agreement creating a Security Interest in the Materials and Services or the proceeds of such Materials and Services; and
- (b) the Security Interest granted to us secures the payment of all Amounts Owed.

20.2. You agree that you will sign any further documentation and provide any information which we may reasonably require to ensure we are paid all Amounts Owed due to us and otherwise to protect our interests under this Agreement, including by registration of a financing statement and ensuring that we have a perfected Security Interest in the Materials and Services, or a Security Interest in the proceeds of the Materials and Services (a Security Interest taken in all collateral and any proceeds).

20.3. To the extent permitted by law, we each contract out of:

- (a) sections 114(1)(a), 133 and 134 of the PPSA; and
- (b) your rights referred to in sections 107(2)(a), (c), (d), (e), (f), (g), (h) and (i) of the PPSA.

20.4. You waive your right to receive a verification statement under Part 10, section 148 of the PPSA regarding any financing statement relating to a Security Interest.

20.5. You acknowledge and agree that a Security Interest is perfected and attached to the Materials (the collateral) in accordance with Part 3 of the PPSA, and the Security Interest shall extend to the proceeds of the Materials as specified in Part 4, section 45(1) of the PPSA.

20.6. Each Security Interest is a continuing Security, notwithstanding any intermediate payments, settlement of accounts or anything else.

20.7. You must provide us with information and any associated documentation we request regarding your financial status from time to time.

20.8. If we consider your financial status unsatisfactory at any time, we may require you to grant additional Security Interests as security for the Amounts Owed, and we

may suspend or cancel further supply of Materials or Services until you have provided such Security Interests.

20.9. You unconditionally ratify any actions taken under clause 20.

21. WORKSITE ACCESS

21.1. You acknowledge and agree that it is your responsibility to ensure:

- (a) we have clear and free access to the Worksite to deliver the Materials or undertake the Services, and we shall not be liable for any loss or damage to the Worksite (including damage to pathways, driveways, concrete, and paved or grassed areas) unless due to our negligence; and
- (b) access is suitable to accept the weight of laden trucks or other earthmoving Equipment as necessary.

21.2. You (and your agents) shall be entitled to have reasonable access to inspect the Services, subject to the following:

- (a) you shall provide us with at least twenty-four (24) hours notice before exercising your access rights; and
- (b) you agree to comply with all health and safety legislation requirements, including all reasonable and relevant instructions we provide, such as wearing protective clothing when on the Worksite (in accordance with clause 25).

22. CLIENT'S RESPONSIBILITIES

22.1. You acknowledge and agree that it is your responsibility to:

- (a) provide us with adequate access to amenities, including available water, electricity, toilet and washing facilities (unless otherwise agreed in writing); and
- (b) ensure any animals or children at or near the Worksite are safe.

22.2. If you are to supply any materials or services in connection with this Agreement (whether personally or by arrangement with a supplier or contractor), then our prior written consent is required, and you must ensure that the materials or services:

- (a) meet the same standards as we are required to attain regarding the Materials and Services we are responsible for supplying under this Agreement; and
- (b) are delivered at such a time and in such a manner that we are not impeded from complying with our obligations under this Agreement.

22.3. You must proceed with the services you are supplying expeditiously and without delay and not unreasonably impede us from performing our obligations. You agree to promptly and comprehensively provide any information and make any decision we may reasonably request regarding any Services you are supplying.

22.4. We may, at our discretion, notify you that we require you to store Materials or tools required for the completion of the Services at the Worksite, in which case you agree to provide us with a safe area for storage and shall take all reasonable efforts to protect any Materials or tools from theft or damage. You agree that the cost of repair or replacement of any Materials or tools that are stolen or damaged while stored at the Worksite shall be your responsibility.

23. INSURANCE AND RISK

23.1. You acknowledge and agree that:

- (a) where we supply Materials only, all risks for the Materials shall immediately pass to you on delivery, and you must insure the Materials on or before delivery. The delivery of the Materials shall be deemed to have taken place immediately at the time that either: (i) you (or your nominated carrier) take possession of the Materials at our address; or (ii) we (or our nominated carrier) deliver the Materials to your nominated delivery address (even if you are not present at the address); or
- (b) if we are providing earthmoving Services, we shall maintain an insurance policy until completion, at which point all risks for the Services shall immediately pass to you.

23.2. We shall maintain public liability insurance coverage of at least one million dollars (\$1,000,000.00). It is your responsibility to ensure that you are also insured.

23.3. You acknowledge and agree that if:

- (a) we discover any fossils, artefacts, Maori iwi burial grounds or other remains of geological or archaeological interest while performing the Services, we reserve the right to halt the Services, remove our Equipment from the Worksite, and immediately notify you. You agree that all additional costs that we may incur as a result, including if we are unable to remove our Equipment from the Worksite, will be your responsibility and shall be treated as a variation (in accordance with clause 8).
- (b) undisclosed waste or hazardous materials are discovered, we reserve the right to halt all Services and immediately notify you. It shall be your responsibility to arrange the removal of all such materials. If we agree to remove such materials for you, this shall be treated as a variation (in accordance with clause 8) and will be an addition to the Price.

23.4. We accept no responsibility for:

- (a) damage or defects in the Materials caused by movement or interference by any third party; or
- (b) replanting, resealing or landscaping work required to restore any surface or area where the Services have been carried out to its original condition.

23.5. If we require access to adjoining or adjacent property or land that you do not own to access the Worksite to undertake the Services, it is your responsibility to gain permission from the land owner to use the aforementioned property throughout the process of delivering the Services. If the land owner denies access or use of the land or property, you shall be liable for all costs we incur in gaining permission to access and use the property through any legal process that may be necessary.

23.6. During the installation process, we will ensure that all Materials are installed in a manner that is fully compliant with industry standards. If, for any reason, you specifically request the Materials to be installed in any way that goes against our recommendations or falls outside of industry standards, you must make a request

detailed that requirement in writing to us, and we offer no warranty if we are required to follow your instructions.

- 23.7.Both parties acknowledge and agree to comply with the NZS 3910:2023 Conditions of Contract for Building and Civil Engineering Construction Standards concerning the Services supplied. All pipe laying and cabling work will comply with New Zealand regulations and standards.
- 23.8.You agree to cooperate with our requests and directives regarding the timing and coordination of Services and discuss any issues directly with us, not our subcontractors.
- 23.9.If you or any third party you engage does not comply with us, we may require the non-compliant party to either temporarily leave or stay off the Worksite as we direct, or we may suspend the Services.
- 23.10.You accept that we are only responsible for the Materials or Services we provide or replace. We do not accept any responsibility for previous Services carried out by any third party or for any loss or damage to the Materials or Services caused by any other third party after the completion of the Services (including any damage caused by foot traffic or animals).
- 23.11.Should you request that we leave Materials outside our premises for collection or deliver them to an unattended location, you agree that those Materials shall be left at your sole risk.

24. NOTIFICATION OF SERVICES

- 24.1.You must precisely locate all unseen or underground services at the Worksite and mark the same prior to us commencing any of the Services (including electrical services, gas services, sewer services, water mains, telephone cables, fibre optic cables, or any other services that may be present on the Worksite). You agree that we are in no way liable for any repair costs or fines incurred due to damage to underground services that you do not precisely locate and mark prior to the commencement of the Services.
- 24.2.We accept no liability for unforeseen or unmarked underground services at the Worksite. If underground services are damaged despite us taking all reasonable steps to identify the underground services present, all liability and repair costs shall be your responsibility (including the obligation to seek damages from the party who installed and failed to mark the correct location of the services). Any additional Services required due to damage to underground services will be treated as a variation (in accordance with clause 8) unless due to our negligence.
- 24.3.If you request us to engage a service locator or if we require this based on industry experience, we will (at your expense) seek advice on underground services from a suitably competent and certified underground service locator, which will be based on best practices, plans, drawings, and available information. You agree to indemnify us regarding all liability and repair costs resulting from damage to underground services not precisely located and marked by the certified service locator.

25. HEALTH AND SAFETY AT WORK ACT 2015

- 25.1.Each party will comply with the Health and Safety at Work Act 2015 (HSW Act), including all health and safety duties specified in Part 2 of the HSW Act and all other applicable standards and codes of practice relating to health and safety. In addition, each party will comply with the other party's pre-notified and reasonable health and safety policies when on the party's premises.
- 25.2.You must notify us of any known hazards arising from your premises to which any person may be exposed, as well as inform us of any notifiable injury, illness, incident or event (as defined in Part 1, subpart 3 of the HSW Act) to ensure that your workplace is without risks to the health and safety of any person.
- 25.3.Each party must consult, cooperate and coordinate activities with all other persons with a health and safety duty in relation to the same matter in providing the Materials or Services (including in connection with the delivery of the Materials or Services).

26. PLANS AND SPECIFICATIONS

- 26.1.When you supply us with plans, specifications, or other technical information (such as CAD drawings or any other electronic software that provides detailed information), you are responsible for providing accurate information, and we are entitled to rely on it.
- 26.2.If you give technical information relating to the specifications of the Materials required to complete the Services, it is your responsibility to verify the accuracy of the technical information or specifications before we place an order based on these measurements or specifications. We accept no responsibility for any loss, damages, or costs due to your failure to verify the accuracy of the technical information or specifications.
- 26.3.You warrant that any documentation supplied for the Services and its content or methods are accurate and suitable for the purpose for which they were created and that it is reasonable for us to rely on them.
- 26.4.You acknowledge that all descriptive specifications, illustrations, drawings, data, dimensions, and weights stated in our fact sheets, Price lists, or advertising material are approximate. You shall not be entitled to rely on such information, and any use of the Price lists does not constitute a sale by description and does not form part of this Agreement unless we expressly state this in writing.
- 26.5.If there is any discrepancy between the drawings and the specifications, precedence will be determined based on the election of authority agreed upon by both parties and recorded in writing. If no election of authority has been made, you acknowledge and agree that:
 - (a)figured specifications take precedence over scaled specifications;
 - (b)large-scale specifications take precedence over small-scaled specifications;
 - (c)amended drawings take precedence over older drawings; and
 - (d)all drawings and specifications are subject to any building consent.

- 26.6.We are not responsible for any errors in the Materials or Services or additional expenses if you supply inaccurate information.

27. LAND SUBSIDENCE AND DEFECTIVE EARTHWORKS

- 27.1.You acknowledge and agree that we are not liable for any:
 - (a)damage to the Services caused by the subsidence of the Worksite;
 - (b)any additional costs resulting from the absence of information on any defects or difficulties that were not discovered by a reasonable inspection of the Worksite; or
 - (c)deterioration to the Services or the Worksite caused by or resulting from the inadequacy or negligent application of earth fill or removal (unless such damage or deterioration may be adequately attributable to our negligence).
- 27.2.You agree that if earthmoving or excavation services have been provided by a third party (that you or your agents have engaged) and the services are found to be defective or not up to standard (including depth or dimensions), we reserve the right to charge a variation to remedy such services (in accordance with clause 8).

28. SURVEY PEGS AND WORKSITE BOUNDARIES

- 28.1.Unless already established, survey pegs we require to define the boundaries of the Worksite must be provided by a surveyor you engage at your expense. If and when required, you must show us the survey pegs, offset pegs and datum pegs, and we will record the position of those pegs and take all reasonable steps to maintain the boundaries of the Worksite.
- 28.2.You agree to indemnify us for any expense, loss, action or claim arising out of the incorrect position of pegs or mistakes you (or your agents) make regarding the correct boundaries of the Worksite. Any additional Services required or costs we incur due to the inaccurate location of any Worksite boundary pegs shall be treated as a variation unless we (or our agents) cause the inaccuracy.

29. CONSTRUCTION CONTRACTS ACT 2002

- 29.1.We reserve the right to suspend the Services (in accordance with Part 2, subpart 4 of the CCA) by providing five days written notice if:
 - (a)a claimed amount is not paid in full by the due date;
 - (b)if we have issued a payment claim and no payment schedule has been provided; or
 - (c)a scheduled amount is not paid in full by the due date for its payment, even though the payment schedule you provide indicates a scheduled amount that you propose to pay us.
- 29.2.If we suspend the Services under clause 29.1, you acknowledge and agree that:
 - (a)the suspension of the Services is not in breach of this Agreement;
 - (b)the rights and obligations in this Agreement shall remain in full force and effect;
 - (c)we are not liable for any loss or damage you suffer (or by any third party claiming through you);
 - (d)we are entitled to an extension of time to complete the Services;
 - (e)the suspension does not affect any rights that would otherwise have been available to us under Part 2, subpart 3 of the CCA; and
 - (f)we may exercise any rights for payments or adjudication of disputes under Part 2 and Part 3 of the CCA.

30. PROVISION OF CONCRETE

- 30.1.We give no guarantee (expressed or implied) as to the length of time the curing process will take to avoid cracking of the concrete (that may occur naturally, such as hairline cracking) due to weather conditions that prolong or accelerate the curing process of the concrete.
- 30.2.You agree that concrete is a natural material and is inherently variable. The concrete may contain blow holes, air voids and minor colour variations due to factors beyond our control (including but not limited to oxide-containing concrete curing at differing rates, variations in ground moisture under the concrete, partial shading of the Worksite and weather variations during the pour/curing of the concrete).
- 30.3.We shall not be liable for any damage caused to the concrete by not following our recommendations.
- 30.4.You agree that it is your responsibility to organise and protect the concrete once the Services have been completed, and we will not be responsible for any damage caused by any third party.
- 30.5.We are not responsible for aggregate segregation, where there is a separation of cement paste and the aggregates present in the concrete. A variable dispersion of aggregates can be an aesthetic issue in exposed aggregate concrete and concrete made with alluvial aggregates containing driftwood or other materials that may be visible on the surface of the concrete. You accept this is an unavoidable occurrence with some aggregate-containing Materials and agree that any inherently exposed aggregates due to segregation shall not be considered a defect in the Services. We are not liable for any exposed aggregates inherent with the Materials that cause an aesthetic issue in the concrete finish, and you agree that any additional Services required to alter the finish will be charged as a variation (in accordance with clause 8).
- 30.6.While we will take all reasonable care and use all information available, we shall not be liable for any damage or additional expenses caused by unforeseeable weather conditions that are not predicted by any weather-predicting services and cannot be reasonably anticipated or managed. Should there be any damage due to unforeseeable weather conditions (including but not limited to rain, hail or heavy winds), the additional cost to repair such damage will be treated as a variation (in accordance with clause 8).
- 30.7.Detailed drawings of any services that will be embedded in the concrete must be provided to us prior to the commencement of any Services. While we will take all due care, we accept no liability for any damage to the embedded services.

- 30.8.If we are requested to pour a thinner slab, which, in our opinion, will not be sufficient for weight tolerances based on your information and industry experience regarding depth or dimensions, then we will require you to provide written instructions to proceed and shall not be liable for any future issues that arise from pouring the concrete too thin (including heavy vehicles, equipment, and materials causing cracks or structural damage in the concrete slab).
- 30.9.After the concrete is sealed, dark patches may appear when the surface is wet and disappear when the surface dries. This is caused by microscopic pin holes, cracks, and high points in the sealer that let small amounts of water into the concrete. This is an inherent natural occurrence and is not because of faulty workmanship or Materials, and the effect will diminish over time.
- 30.10.All finished work shall be assessed in accordance with the New Zealand Standard 3114:1987 (specification for concrete surface finishes), which states that finishes need to be assessed from a distance of 3 metres.
- 30.11.You shall supply an area suitable for washing out our Equipment and depositing unused concrete or slurry.

31. HIRE OF EQUIPMENT

- 31.1.Unless otherwise specified, you agree to:
- (a)maintain the Equipment as we require (including, but not limited to, maintaining water, oil and fluid levels and tyre pressures);
 - (b)notify us immediately by phone explaining the full circumstances of any mechanical breakdown or accident in connection with the Equipment. You are not absolved from the requirements to safeguard the Equipment;
 - (c)satisfy yourself prior to taking delivery of the Equipment that the Equipment is suitable for your purposes;
 - (d)operate the Equipment safely in accordance with the law, only for its intended use, and in accordance with any manufacturer's instruction, whether supplied by us or posted on the Equipment;
 - (e)ensure that all persons operating or utilising the Equipment are suitably instructed in its safe and proper use, and where necessary, hold a current certificate of competency or are fully licensed;
 - (f)comply with all occupational health and safety laws relating to the Equipment and its operation;
 - (g)keep the Equipment in their own possession and control. Further you shall employ the Equipment solely in your own work and not permit the Equipment or any part thereof to be used by any other party for any other work;
 - (h)not alter or make any additions to the Equipment, deface or erase any identifying mark, plate or number on or in the Equipment or in any other manner interfere with the Equipment;
 - (i)not exceed the recommended or legal load and capacity limits of the Equipment;
 - (j)deliver the Equipment complete with all parts and accessories clean and in good order as delivered on termination of the Hire; and
 - (k)not use or carry any illegal, prohibited or dangerous substance in or on the Equipment.
- 31.2.In the event of Wet Hire, the operator of the Equipment remains an employee of us and operates the Equipment in accordance with your instructions. We shall not be liable for any actions of the operator in following your instructions.

32. SUBCONTRACTORS AND THIRD PARTY SUPPLIERS

- 32.1.We may subcontract any portion of the Services but may not assign or sublet all of the Services without your written consent.
- 32.2.We, at all times, shall be responsible for:
- (a)our Subcontractor's services;
 - (b)ensuring that our subcontractors have appropriate insurance in place;
 - (c)obtaining applicable warranties, guarantees, certificates and records of work required from our subcontractors; and
 - (d)taking all reasonable steps to ensure our subcontractors comply with health and safety legislation regarding the Services (in accordance with clause 25).
- 32.3.If you request and authorise us to arrange the provision of Materials or Services directly to you by a third party supplier (whether or not such arrangement involves us contracting as your agent), to the extent applicable, this Agreement shall apply to our Services in arranging such supply, provided that we exclude all liability in connection with the supply of Materials or Services to you directly by a third party supplier. You agree to pay all Amounts Owing under this Agreement if we arrange any supply of Materials or Services provided directly to you by a third party supplier. We offer no warranty regarding the quality of the workmanship of the third party supplier (including if their recommendations are appropriate or accurate).

33. LIABILITY

- 33.1.To the extent permitted by law, we shall have no liability whatsoever to you for any direct or indirect expense or loss of profit you suffer arising out of our breach of this Agreement (including any unintentional misrepresentation we make to you regarding the Materials or Services).
- 33.2.To the extent permitted by law, our liability shall not exceed the Price of the Services we provide under this Agreement.
- 33.3.To the extent permitted by law, our total liability under or in connection with this Agreement and the Materials or Services is limited to, at our option:
- (a)in the case of Materials, any one or more of the following: (i) the replacement of the Materials or the supply of equivalent Materials; (ii) the repair of the Materials; (iii) the payment of the expense of replacing the Materials or of acquiring equivalent Materials; or (iv) the payment of the expense of having the Materials repaired; or
 - (b)in the case of Services: (i) resupplying the Services; or (ii) the payment of the expense of having the Services resupplied.

- 33.4.If, notwithstanding clause 32, we have any liability under or in connection with this Agreement, to the maximum extent permitted by law:
- (a)our total aggregate liability to you for any loss, damage or liability arising out of or in connection with this Agreement will be limited to the lesser of: (i) the Price paid to us for the applicable Materials or Services; or (ii) the actual loss or damage you suffer; and
 - (b)we will not be liable for any: (i) indirect, special or consequential loss or damage whatsoever; or (ii) loss of profits, revenue, data, goodwill, customers, opportunities or loss of or damage to reputation.
- 33.5.The limitations and exclusions on liability in this clause 33 will apply irrespective of the legal basis for the applicable claim, including contract, equity, tort or statute, except negligence and fraud.
- 33.6.In no circumstances will we have any liability whatsoever under or in connection with this Agreement:
- (a)for the acts or omissions of any third party;
 - (b)any act or omissions performance in accordance with your instructions (or instructions from your authorised agents); or
 - (c)to any third party.

34. GENERAL

- 34.1.Governing law: This Agreement is governed by and to be construed in accordance with the laws of New Zealand, and each party submits to the exclusive jurisdiction of New Zealand's courts.
- 34.2.Entire Agreement: This Agreement constitutes the entire agreement between the parties about its subject matter and supersedes all other agreements, representations and understandings.
- 34.3.Priority: To the extent of an inconsistency between:
- (a)this Agreement;
 - (b)all other schedules to this Agreement;
 - (c)any privacy or data agreement (if applicable); and
 - (d)the order of priority above will apply (with (a) having the highest priority).
- 34.4.Subcontracting: We may subcontract the performance of our obligations (including to a Related Company) on the basis that we remain solely liable to you for the performance of our obligations.
- 34.5.Assignment: You must not assign, novate or transfer your rights or obligations under this Agreement without our prior written consent (which may be withheld at our sole discretion). We may assign this Agreement to any other person. Without limiting the foregoing, we may assign all or part of the Amounts Owing to any other person.
- 34.6.Amendments: Except where stated otherwise in this Agreement, any amendment to this Agreement must be in writing, signed by both parties, except where we are required to make changes to ensure compliance with applicable laws, in which case we can give you notice of any such amendments required, and you will be bound by the same.
- 34.7.Notices: Any notice, demand or other communication to be served on a party must be in writing and sent by personal delivery, pre-paid post or email to the relevant party's address (or otherwise notified to the other party from time to time). Any notice or other communication is deemed to be received (i) if personally delivered, on receipt, (ii) if posted by pre-paid official postal service, on the fifth Business Day after posting (or seven Business Days after posting if sent from one country to another), and (iii) if sent by email on the date and time that the email was sent (as evidenced in the sender's email sent history). Notices received after 5pm on a Business Day will be deemed received on the next Business Day.
- 34.8.Force majeure: We will not be liable to you for any failure or delay in performing our obligations under this Agreement where such failure or delay is caused by events or circumstances beyond our reasonable control (including any strike, lockout, labour dispute, delay in transit, embargo, epidemic, pandemic, accident, emergency, order of government or other authority or act of god).
- 34.9.Severability: If any part of this Agreement is illegal or unenforceable, you agree that part shall be amended to the extent permitted by law to allow the enforceability of any rights, and if it is not able to be amended, then it will be severed, and all remaining rights in this Agreement will continue in full force and effect.
- 34.10.Waiver: A single or partial exercise or waiver of a right relating to this Agreement does not prevent any other exercise of that right or the exercise of any other right.
- 34.11.Termination: Either party may terminate this Agreement immediately by written notice if the other party breaches a term of this Agreement which is not capable of remedy or, where the breach is capable of remedy, fails to remedy the breach within 20 Business Days of written notice of the breach.
- 34.12.Survival: Any rights or obligations under or in connection with this Agreement, which is by nature a continuing obligation, will survive either party's termination of this Agreement.
- 34.13.Rights of third parties: This Agreement is not intended to benefit anyone other than the parties.
- 34.14.Relationship: We will provide you with Materials or Services as an independent contractor. Nothing in this Agreement creates a partnership, joint venture, or employment relationship between the parties.
- 34.15.Non-exclusive: This Agreement is not exclusive, and you agree that we may provide any Materials or Services to any other person without restriction.
- 34.16.Counterparts: This Agreement may be executed in any number of counterparts (including by electronic signature or email exchange of pdf copies), constituting one instrument.
